MURPHY & GEORGIA'S MYSTERY ROAD TRIP

A Mystery Game for Young Readers

A MYSTERY ROAD TRIP is a pup-powered adventure wrapped in a riddle. The interactive game brings real-life rescued dogs—**Murphy and Georgia**—into a real-life road trip with kids. This isn't just an ordinary joyride — it's part game, part story, part imagination explosion!

A grown-up secretly chooses the mystery trip destination — close to home or far away — anything is possible! Murphy and Georgia toss out clues like dog treats, players sniff out the clues to guess where the pups are, figure out what happens next, and then... the mystery is a mystery no more!

Playable as a three-day event, a Mystery Road Trip is a fun before- or after-dinner activity, or for family story time. Short on time but long on adventure, a Mystery Trip planned as a single event is an option — perfect for a birthday party, a rainy (or snowy!) afternoon, or for a family or group activity.

Make a Mystery Road Trip even more paw-some when paired with Fur-Ever Friends and/or Georgia's World, Murphy and Georgia's children's books!

Murphy Message

Hey There!

It's me, Murphy – the floofy guy in the book! We haven't met but I've heard all about you!
The story in my book is the true story of how my pal Georgia and I became best friends. I'm a real dog and so is Georgia! The pictures in the book are pretty much what we look like in real life. No, that's not quite true – I am MUCH more handsome in person!

The story is best enjoyed with snacks, preferably the crunchy kind. If I was by your side, I'd be sure to scramble for crumbs. (But Georgia would beat me to it, because she is really fast.)

I hope you enjoy my book. Most of all, I hope you have a friend as special as Georgia is to me.

Your Friend,
Murphy

PLAY THE MYSTERY TRIP . . .

Travel the Mystery Trip on a laptop, desktop, tablet or phone. Clues will be posted on Murphy & Georgia's Facebook page - daily if you choose to play the game as a three-day event. If the game is planned as a single event, the clues will be provided as three separate posts on the same day (you choose the day!). At the end of the game, a slide show gallery of the trip will be posted on Murphy & Georgia's website.

Introduce the Game

Something like ...

> "Murphy and Georgia are going on a Mystery Road Trip, and YOU get to go along for the ride! I picked their destination, but only the pups know the plan! You will get a clue for each stop on their 3-day trip to guess where they are and where they might be headed! We'll put our heads together and solve the mystery!"

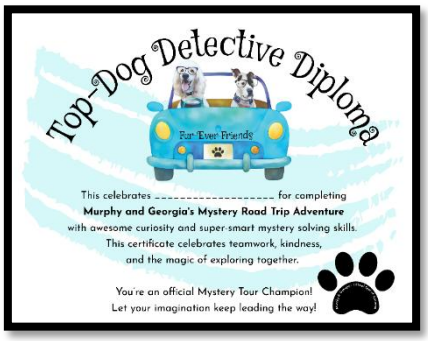

The Destination

At the final stop, kids (and grown-ups too) guess the location and... the mystery is a mystery no more!

Celebration Message:

> *"You solved the mystery! Murphy and Georgia are so proud of you!*

The fun ends with the Top-Dog Detective Diploma and Paw-sonalized Murphy Message or Georgia Gram of friendship!

MEET THE PAW-SOME PUPS

Together, they're unstoppable. #DynamicDuo #RescueHeroes

MURPHY — Floof-powered optimist, always ready for fun and adventure.

GEORGIA — Sharp-eyed, quick-thinking, really big heart.

Murphy and Georgia are not just make-believe characters in a book — they are rescued dogs in real life, with hearts that beat with courage and loyalty. Narrated by Murphy, Fur-Ever Friends is their true story. Narrated by Georgia, Georgia's World is her true story of friendship, courage and bravery.

A very tall and very floofy guy with a heart full of hope, Murphy did not just move into his new home, he took over. His playful antics and charm brought back laughter to a house that had felt too quiet.

Georgia entered the picture like a whisper. She was the kind of dog who didn't need to make noise to make her presence known. She was quiet and cautious, with a gentleness that made you want to kneel down and whisper, "You're safe now."

With the power of patience and play, together the two dogs found that even the most broken hearts can be healed with a best friend by your side.
